Program Summary

Gaining Early Awareness & Readiness for Undergraduate Programs (GEAR UP) is a federal program designed to provide early intervention services and programs to students in middle schools and high schools. When scholarships are offered, the amount is intended to significantly reduce what they have to pay for college. GEAR UP is designed to permit these students to attend college without the fear of incurring significant debt.

Campus Payments

Payments are disbursed on a term/semester basis.

Payments are sent to the institution following verification of eligibility.

Payments are authorized by and issued from the Michigan Department of Treasury.

Student Eligibility

Age Requirement

The recipient must be less than 22 years of age at the time of the first scholarship award.

High School Diploma

The recipient must have received a high school diploma or GED.

Enrollment

The recipient must be enrolled at least half time in a Michigan degree-granting public or nonpublic college, including Focus: HOPE, that is approved by the Michigan State Board of Education, eligible for listing in the publication entitled “Directory of Michigan Institutions of Higher Education,” and a participant in federal campus-based programs.

Citizenship

The recipient must be a U.S. citizen, a U.S. national, or a U.S. permanent resident who has an I-1551 or I-55C.

OR: The recipient must hold an Arrival-Departure Record (I-94) from the U.S. Department of Homeland Security (DHS) showing one of the following designations: “Refugee,” “Asylum Granted,” “Indefinite Parole” and/or “Humanitarian Parole,” “Cuban-Haitian Entrant, Status Pending” or “Conditional Entrant” (valid only if issued before April 1, 1980).

Residency

The recipient must be a Michigan resident for the 12 months before the beginning of the award period and must not be considered a resident of any other state.

Pell Eligible

The recipient must be eligible for a federal Pell Grant at the time of the first scholarship award.

Satisfactory Academic Process

The recipient must be in compliance with the college's satisfactory academic progress (SAP) standard. The college must use a SAP standard at least consistent with the criteria of academic progress needed to maintain eligibility for the federal student aid programs.

GEAR UP Participation

The recipient must have successfully participated in the GEAR UP Michigan: Reaching the Urban Centers interventions as determined by their local school's scholarship committee.

To the extent that funding permits, the Michigan Department of Treasury will make awards to students on the rank order list submitted by their local school's scholarship committee.

Non-incarceration

Incarcerated students are not eligible for award consideration. This includes persons assigned full time or part time to correctional facilities, community correction centers, residential homes, half-way houses, or under home detention. Those on electronic monitors are likewise ineligible.

Application Information

Each participating GEAR UP school district provides a rank order list of students who have successfully completed the program.

Each of these students must file a FAFSA.

Students selected for a scholarship must return the GEAR UP Acceptance Form to the Michigan Department of Treasury.

Award Computation

Award Limits

In no case may the recipient's total amount of Title IV financial aid plus other grant or scholarship assistance exceed a student's total cost of attendance.

GEAR UP scholarships may not be considered for the purpose of awarding other Title IV grant assistance. Program intent is to maximize gift aid. GEAR UP may be used to replace the estimated

family contribution allowing the family not to have to borrow to cover that cost.

Students must utilize their maximum award status within five years after the date of high school graduation.

Award Parameters

The maximum amount a student can receive is equal to the maximum Pell Grant award funded for the academic year immediately following the student's date of high school graduation.

If a student attends an institution less than full time but at least half time, GEAR UP must be reduced proportionately. Such reduction cannot be greater than the percentage reduction in tuition and fees charged to that student as a result of attending part time.

Continuation scholarships will be awarded when the student continues to be eligible for a scholarship in successive years up to a maximum of four years.

The maximum amount of a continuation scholarship is equal to the maximum Pell Grant award funded for the academic year immediately following the student's date of high school graduation.

Disbursement Procedures

Payment should be credited to the student's account unless the student has already satisfied financial obligations to the college; in such cases, all or part of the award may be paid directly to the student.

The total award amount is to be divided among terms/semesters in the same manner as the Pell Grant.

Refunds

Final eligibility for payment within an enrollment period depends on the student's status at the end of the refund period.

Refunds to the program account shall be made when the student terminates eligibility between terms of the award period.

Refund payments must include the name of the program, the name of the student(s), and a check payable to the "State of Michigan." **Please note: Payments are sent to a special box number of P.O. Box 30782.** Payments must be mailed to the Michigan Department of

Treasury, Student Scholarship and Grants, P.O. Box 30782, Lansing, MI 48909.

Appeal Process

The college should direct students wanting to appeal an eligibility determination to address their inquiries to the Bureau of State and Authority Finance, Student Scholarships and Grants.
